

Checklist: Perfectly equipped with the right camping accessories

Your next trip is just around the corner and you want to start your holiday with your motorhome or van well prepared? To guarantee comfort, safety and carefree holidays, there are some important accessories that you should definitely have with you. The following overview will help you not to forget anything important:

Security:

- ☐ First aid kit for quick treatment of minor injuries
- ☐ Safety waistcoats: Carry at least one high-visibility waistcoat per person travelling
- ☐ Toolbox with basic equipment for small repairs
- ☐ At least two wheel chocks to level your vehicle
- ☐ Spare bulbs as a reserve in case of possible defects
- ☐ Warning plates for the rear carrier
- ☐ (Electric) access step for greater access comfort

Technology

- ☐ Cable reel enables power connection at the campsite
- ☐ Torch helps in emergencies in the event of a power failure
- ☐ Power bank for charging your mobile devices independently of the board battery

Supply:

- ☐ Gas cylinder adapter for the right connection abroad
- ☐ Sanitary add-on for the toilet in your motorhome or van

Living:

- ☐ Hand-held Hoover and broom for quick cleaning
- ☐ Sink basket for organisation in the kitchen
- ☐ Anti-insect candles for protection against insects
- ☐ Table and chair set for comfortable outdoor seating

Other:

- ☐ Suction cups help to attach the clothesline
- ☐ Cable ties and waterproof adhesive tape
